7-DAY EXCLUSIVE CHARTER OR SHARED EXPEDITION CRUISE | UP TO 20 GUESTS | 10 STATEROOMS

A&K's preferred Galápagos adventure cruising partner, Ecoventura, offers a fleet of three luxurious sister ships, 'Origin,' 'Theory' and 'Evolve.' Carrying just 20 guests each, they operate as floating five-star boutique hotels and are the only Galápagos vessels accepted into the esteemed Relais & Châteaux collection.

All three vessels are available for cruising with other guests or to charter exclusively. Land activities on chartered cruises can be customized for your interests, and you can expand the onboard crew to include a photographer or even a masseuse.

Come aboard and be welcomed into chic, elegant spaces inspired by the timeless beauty of the Galápagos, featuring curated artworks and contemporary decor with exotic stone and wood accents. All meals are a la carte and inspired by Relais & Châteaux, with four-course plated dinners and barbecue lunches.
